

## Support the 2018 Film Festival Become a Film Festival Patron

At Chichester Cinema at New Park we believe the experience of attending the Chichester International Film Festival - and films screened year-round at the only independent cinema in the city - has the ability to enlighten, entertain, enrich and to feel part of our community. Our mission is to ensure that all ages and backgrounds are offered a huge variety of films from all over the world to also include documentaries, opera, ballet, theatre, art and education events. Following the recent successful refurbishment of the auditorium, we continue to build for the future.

We offer the opportunity of becoming a Film Patron or a Festival Patron for the 2018 20-day Film Festival (9 – 26 August, plus two open air screenings 3 & 4 Aug).

Each year we need to raise over £80,000 for the Film Festival by ticket sales, sponsorship, patrons, businesses and individuals. Film Festival ticket sales last year covered £56,000 towards our budget. We receive support from other sources including the British Film Institute and seek a further £10,000 which could be achieved via your patronage.

### **As a Film Patron:**

Sponsor a film of choice for £100 or £250 for three films. Your name by your chosen film(s), will be placed in the 90+ page glossy brochure and online and you will receive a ticket for your film(s).

### **As a Festival Patron:**

Support the film festival with £150 or more. You will receive priority booking for the Opening and Closing Gala Events, a voucher for any film of your choice and two open air screening tickets.

**All Film Patrons** are invited to private parties prior and during the festival including the Launch Party and to quarterly cinema update meetings. Your names will also be in the brochure and online.

Last year, Roger Gibson, our Festival Artistic Director and cinema founder, selected the largest number of films (150+) for the 20-day festival by attending major film festivals and his remarkable ability to network with directors, producers and distribution companies as well as programming talks by directors and stars. Previous attendees have included Ralph Fiennes (pictured right with Roger Gibson), Carl Davis, Mike Leigh, John Lithgow, Kathleen Turner and Alec Guinness.

Sir Kenneth Branagh, our Vice-President, comments: 'I have followed and celebrated your shared vision to bring the best of world cinema to Chichester and to watch an impressive variety of films.'

Without your support, we could not continue planning the kind of ambitious festival for which Chichester Cinema at New Park's festival, the largest on the South Coast, is now internationally known.
